

#### Show titles for Musical Theatre Workshops 2011/2012

Session 1: Sept 12 – Oct 17

**"Witch's Shadow"** Ever get sick of someone following you around wherever you go? Well this witch did and she has hatched a plan to put an end to it. She's hiring a babysitter and giving herself one whole night free of her pesky shadow. So, while she's out having fun, the babysitter and everyone else that lives on his street has to put up with him turning the neighborhood upside down. What kind of mischief does he get into? You'll have to join us to find out, but let's just everyone is very ready for him to go home, when the witch returns.

Session 2: Oct 24 – Nov 28

**"Pop! Goes The Penguins"** Inspired by one of our favorite stories of a lovely couple that adopts two penguins and ends up with a whole family full of them. Fun and adventure for all, as the penguins get into all sorts of mix ups and liven up even the most boring of get togethers. Eventually they find a way to cool down the house and use the penguins talents to raise money for the family and make everyone's lives a whole lot better.

Session 3: Jan 2 – Feb 13

**"Magic Finger"** A dream come true for anyone who has ever been bullied. A little girl wakes up one day with a "magic finger" that she uses to force her untamed neighbors to trade places with animals and people they've wronged, to see what it feels like to be in someone else's shoes. Everyone learns a lesson in the end. Apparently you can teach an old dog new tricks!

Session 4: Feb 27 – April 2

**"Princess and the Pea"**

A classic tale about a young Prince seeking the perfect bride, with the help of his knights and the King and Queen. Filled with hilarious Princesses and even funnier "true princess" tests! You do not want to miss this.

Session 5: April 23 – June 4

**"Pinky Pirates"** We are mixing two of your favorite stories to make one that's brand new. "Pinka..." (you know the rest...rhymes with delicious) and "How I became a..." yup you guessed it "Pirate". When everyone's favorite little "Pink" girl is suddenly taken by pirates, the crew made up of both boys and girls, tries to turn her into a swashbuckling, sea loving second mate, but they keep getting distracted by all of her fabulous baking and soon it's not sea sickness their all worried about.
